AGRI MALAYSIA

A Trendsetter to Define the Malaysia's Agriculture Exhibition

业界热评：
马来西亚国际农业工艺展引领业界新风尚

Another great achievement has been made! Agri Malaysia continues to receive its well recognition from related government bodies and major industry organizations, specifically the endorsement by Malaysia External Trade Development Corporation (MATRADE) for its international trade fair status and the endorsement of Malaysian Investment Development Authority (MIDA) to help exhibitors and visitors to have a better development and wider outreach both domestically and internationally.

Being a highly acclaimed agriculture event, Agri Malaysia aims to create a more dynamic business and networking platform which helps to improve the cross-border cooperation and to be the major learning hub for Malaysia's agriculture community.

In addition to covering the field of Crop & Plantation, industry stakeholders can look forward to the new sparks of Aquaculture in Agri Malaysia 2018. Through the integration of this newly added profile and the core concept of innovation, coordination and co-development, Agri Malaysia 2018 is aimed to present a comprehensive showcase and create the most effective platform to all related stakeholders for their maximum benefits.

马来西亚国际农业工艺展(AGRI MALAYSIA)再创佳绩! 展会除了继续获得主要政府部门、机构和各大农业组织团体的认证与支持外,更荣获马来西亚国家贸易促进局(MATRADE)认证展会素质符合国际水准,是目前马来西亚农业贸易展里唯一荣获此殊荣的展会。

此外,展会也获得马来西亚投资发展局(MIDA)的认证,帮助参展商及观展者得到更好的投资发展、拓展至国内外更广泛的市场。

基于农业界广泛的关注和好评,展会团队将继续积极开创新意及设立跨界合作,让参展商从而达到推销产品、扩增订单及加强商业形象的目的,同时打造更优质的产品交流及汇聚信息的平台,务必为行业人士提供丰富动人的展会内容。

除了涵盖种植及耕作领域,今年的展会也结合水产养殖业项目,并以创新、协调、共享发展理念为中心,为农业工艺展带来更完整的呈现,让参展商及行业人士有机会探索更多本地和国际市场的商机和技术。
